MBA BATCH 2022-24

About a year ago, I embarked on my journey with Frost & Sullivan as an intern. Through demonstrating my skills and capabilities, I earned a full-time position as an Associate in Marketing Communications, where I now support Events & Media across the Middle East and South Asia regions. This significant career advancement would not have been possible without the comprehensive knowledge and experience I acquired during my two-year MBA program at Amity Mumbai. I will always be grateful to our faculty members for their support and the hard work they invested in preparing us for the corporate world.
